Recycle bottles and cans  
using the

## CLYNK Community Cash Program

It's easy!

1. Pick up a **CLYNK** bag from the library.
2. Fill the green bag with returnable bottles and cans.
3. Peel the sticker off and place it on the green bag.
4. Take the green bag to any Hannaford store.
5. At the **CLYNK** station, scan the sticker and place the green bag in the storage bin.

If you can't get to a Hannaford, bring the green bag to the Library, and we will take it there for you.

Thank you so much for using **CLYNK** – a win-win for all!
